Description

JOBE SEA-ESTA TOWABLE 3P

Ai caramba, hold on! The sea-esta can hold up to three persons and is the perfect addition for all sun seeking families & friends. Featuring 12 deluxe foam-filled handles with neoprene knuckle protection, our thrill-seekers can go for a fun filled ride on their belly on its neoprene seat pad, or relax and sit back utilizing the comfy backrest and easy grips mounted on the sides. Just deflate and inflate the Sea-esta's soft back support and transform the Sea-esta from a chill sofa into a deck-tube. The Sea-esta is covered in tough double-stitched 840 denier patterned nylon around a 28 gauge PVC bladder. After all the tube action friends and family can hold on to tradition and hit to the coastline for a beloved siesta. Put on the foldable sunroof for some sun kissing on the shore. Store an ice cold drink in its molded drinking holders and relax to its soft and comfy inflatable back supporter. This is your Siesta!
