Description

Go big or go home, and we went BIG! The Aero SUP'ersized SUP Board 15.0 is our biggest SUP yet! With an incredible 15' length and 4' width you and your friends and your friend's friends have never had a more fun time on the water. The SUP'ersized SUP may be big but its also easy to transport thanks to it's lightweight X-Stitching construction and ability to easily inflate or deflate for extra portability. The package includes everything you need to get out on the water!
