The OBrien Kona 10'6 inflatable paddleboard package is an iSUP package that is excellent value and lots of fun. With its striking, vibrant colourway the O'Brien Kona is a great for those wanting to get on the water and enter the world of paddle boarding.

At 10'6 overall, the Kona 10'6" delivers good amounts of glide while remaining responsive to paddler inputs. Working well on flat water and in small surf, the Kona works well for paddlers weighing up to 105kg – making it a great option for family use.

If you are looking to get on the water and start paddling, then the OBrien Kona 10'6 package is a great option.
