Description

Another favorite fit from HO's top level skiers is the Animal Boot. Its' single lace rear entry design make getting in simple and the boot releases your foot when needed. Built atop an anatomically fit footbed, the Animal boot utilizes high density EVA toe and heel pieces for optimum comfort. The new overlays are thinner and include specifically placed stretch zones eliminating foot cramps. Go ahead; release the Animal in you on your next set.

HO Animal Water Ski Binding Features:

- Traditional high performance design: winningest waterski boot of all time!
- Classic Overlay Construction for a traditional water ski boot fit and function
- Heat Moldable EVA Tongue and Heel for great lateral control and comfort
- Rebuildable long lasting design
