Description

The Men's O'Brien Neoprene Tech CE Watersports Vest is O'Brien's thinnest CE Approved vest and is manufactured from the highest quality neoprene.

This means O'Brien have been able to create an insanely comfortable vest that will not restrict your movement and still follow the CE regulations for buoyancy. There is a hinge point built into the vest for increased flexibility, and with its full front zipper and two belts, the Mens Tech vest fits nice and snug.

You won't be able to find another CE Approved vest that can out-perform the O'Brien Tech Neoprene Watersports Vest.
