Description

A brilliant board shape with extra-wide deck, thick profile, and responsive handling, the Wave Plus is both fun and versatile from leisure paddling to small waves. Comes as a complete package.

Why choose the Wave Plus?

Aquatone's benchmark model within our brand and industry. The proven design and performance of Aztron inspired Aquatone to give the Wave Plus outstanding performance. The 11'0" and 12'0" are the biggest SUP sizes of the all-round range. You will also find the Wave Plus had a better tracking and is faster with its bigger/ longer sizes/

These boards are best suited for:

- Beginner to intermediate rider
- Leisure paddler
- Average to tall height
- Heavier weight
- Family or group paddlers

Key Features:

Premium Drop-stitch:

Built with premium drop-stitch fabric for ultimate stiffness. High-pressure air valve technology to ensure board stiffness and rider safety.

Stringer Technology:

Thanks to the 13cm wide centre stringer construction from top to the bottom and on both sides of the board, makes the Wave Plus SUP solid even in windy and choppy water.

Adjustable Bungee:

Adjustable bungee cord system located at the back of the board to keep gear safe, and gives you more space for paddling when swapping sides.

EVA Deck pad:

The Wave collection features a 4mm thick diamond pattern soft EVA traction pad for excellent grip.

Reinforced Fin:

9-inch push in centre fin system. Built with reinforced nylon and an Aquatone customized fin base.

Extra D-rings:

Turn your SUP into a kayak with the extra D-rings.
