Description

The Sentry kneeboard features a parabolic twin tip for maximum lift and smooth transitions allowing you to pull off the sharpest tricks. A molded fin for more traction makes the Sentry extra manoeuvrable, while its soft foam knee pads keep it comfy. Its easy handle hook and single lock straps make it easier and more fun to ride! You'll absolutely love the easiness of turning and spinning around, which makes this board suitable for all riding levels.

- Easy start handle hook
- Comfortable foam knee pad
- Fully padded single kneeboard strap
- Molded fins for extra traction
- Plastic rotomolded
- Twin tip
- Max rider weight 120kg | 264,6 lbs
- Board: 132 cm | 52"
