Description

The Jobe triple-action SUP pump is designed to inflate SUPs to pressures of up to 20 PSI fast and easy!

It features two 3.5 litre double action cylinders, a pressure gauge to keep control and a Halkey Roberts nozzle to fit all Jobe Inflatable boards on the market.

The Jobe triple-action SUP pump has three different operating modes to keep inflation easy at any stage. Double action on 2 cylinders quickly inflates your SUP up to 5 psi. Single action on 2 cylinders lets you inflate your SUP to 10 psi at moderate speed. Single action on 1 cylinder to inflate your sup to a maximum of 21 psi with minimal effort.

FEATURES:

- 2x cylinders with triple action for quick result

- Double or single action up to 21 psi
- Capacity 3.5 + 3.5 L
- Gauge to keep control
- Halkey roberts nozzle: fits all jobe inflatable boards
