Description

The Trip has a fuller tip and tail shape for more pop than ever before. The D-I-S-C hull has longer molded-in fins that improves control and make transitioning from novice to advanced easier when removing the center fin. Added rocker makes the Trip perform better on today's bigger wakes. Take a set on one and you'll see why we've been Trippin' for all these years.

- Aggressive Continuous Rocker
- Diamond Bat-Tail Shape | Double Concave "V" at Ends
